

Collection Policy

Rum Tum Tugger's Nursery takes the safety of your child very seriously and as such we employ strict collection procedures.

- Your child will not be released into the care of any person under the age of 18 without prior consent and communication with the Management.
- We will only allow your child to leave with a responsible adult if they are listed on the enrolment form or you have previously informed us that they will be collecting your child.
- Any adult other than the main collectors will be asked to provide a pre-ordained password to the room staff.

Please keep us updated of changes to contact numbers and inform us of any changes in your family situation that may change your collection arrangements.
