

Outstanding fees Policy

At Rum Tum Tugger's Nurseries, we try to support families where possible in the payment of fees.

When a family leaves the nursery and there is an outstanding sum on the account the following applies:

- Parents will be asked to pay the sum in full.
- Failure to pay the sum in full allocates interest to the account as follows
 1. Accounts of less than £500 adds 10%
 2. Accounts of £501-£1000 adds 15%
 3. Accounts of £1001-£2000 adds 17.5%
 4. Accounts in excess of £2000 adds 20%
- Accounts must be paid off within an agreed period. We will negotiate a payment scheme with you
- Any failure to make a monthly payment or accounts that are still outstanding after the agreed term will automatically be passed on to our debt collecting agency. Any fees associated with this service will be added to your account.
