

Uniform Policy

We ask that all parents and carers support our nursery in the implementation of compulsory uniform for all age groups.

Nursery uniform has many benefits such as promoting a sense of self pride, makes all children feel equal to their peers in terms of appearance and its practical.

Should a child come into nursery without the correct uniform, we ask that parents and carers inform a member of staff.

At nursery we celebrate different cultural backgrounds and should a parent or carer wish their child to wear clothes that differ from nursery uniform please speak to a member of management and we will look at the request with respect. Should our uniform prove problematic for children with disabilities, please bring this to the manager's attention as soon as possible.
